

NOTE!

MKA system will be launched on December 14, 2015. Until that time the system registration, ordering of MKA cards, authorization of iMKA application and sale of services will be unavailable.

Right now you can become familiarized with the MKA system on our portal and download iMKA application to your smartphone or tablet, and after December 14, 2015 you will be able to use the new and attractive railway tariffs, integrated services and city transport in Krakow and Tarnow with the Małopolska Agglomeration Card system – your integrated transport!
